GRAND CHEROKEE FEATURES

A 4X4 LEGEND: REFINED

From class-five rapids to a five-star restaurant, the Jeep® Grand Cherokee displays the Jeep brand heritage with an added touch of artful restyling that reflects its refined design.

SPACIOUS, VERSATILE SEATING

An intuitive vehicle interior comes standard with Grand Cherokee. Your driver's seat adapts to your body; the climate controls adjust to your liking, and the available steering-wheel mounted audio controls are literally at your fingertips. The Jeep® Grand Cherokee—adaptability and invincibility in one package.

For more information, please visit jeep.com/grandcherokee

GRAND CHEROKEE FEATURES

BEST-IN-CLASS* TOWING

The available 375 lb-ft of torque will get you where you need to go, whether you're conquering the trail or pulling a trailer. When properly equipped, you can tow up to a best-in-class* 7400 pounds to the trailhead or the lake or wherever your adventure takes you.

*When properly equipped. Based on vehicles in the Automotive News 2005 lower mid-range sport-utility segment. Excludes other DaimlerChrysler vehicles.

BUILT-IN SAFETY & SECURITY

An Electronic Stability Program* (ESP) is now standard with Electronic Roll Mitigation and Brake Assist. Standard tire-pressure monitoring system. Available Park Sense® Rear Park Assist System.** Advanced multistage air bags with occupant classification system (OCS).† Both passive and active safety features have been designed to help keep you safe no matter what the adventure.

* Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws."

** Always check entire surroundings before backing up.

† Always sit properly in the seat with the seat belt fastened.

For more information, please visit jeep.com/grandcherokee

FOUR-WHEEL DRIVE CAPABILITY

The available Quadra-Drive II® active four-wheel drive can actively shift torque in all four wheel directions to seek maximum available traction in off-road driving. The electronic limited slip differentials (ELSD) helps provide the ultimate in active traction management for every off-road challenge.

GPS NAVIGATION SYSTEM

The available GPS Navigation System keeps you on the right path with full-color maps and explicit step-by-step directions. Whether you're around the block or around the rocks, the integrated GPS system is always able to identify your location.

GRAND CHEROKEE CAPABILITIES

PARKSENSE® REAR BACK-UP SYSTEM

The ParkSense® Rear Park Assist System uses sound waves to detect nearby obstacles in and near the rear path of the vehicle to help you maneuver in tight spaces at parking speeds*. Audio-visual indicators in the overhead display in the rear of the vehicle alert you to the proximity of most larger, stationary objects that might be outside your line of sight.

*Always check entire surroundings before backing up

ELECTRONIC STABILITY PROGRAM (ESP)

Standard on all models, ESP* enhances vehicle control and stability by countering forces acting on the vehicle. So you'll have a steadier ride no matter what the terrain.

*Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws.

5.7 LITER HEMI® V-8

Grand Cherokee's available 5.7-liter HEMI V8 engine with the all-new, fuel-efficient Multi-Displacement System (MDS) delivers best-in-class** performance with 330 horsepower and 375 lb-ft of torque.

**When properly equipped. Based on vehicles in the Automotive News 2005 lower mid-range sport-utility segment. Excludes other DaimlerChrysler vehicles."

HEMI is a registered trademark of DaimlerChrysler Corporation.

PRECISELY ENGINEERED SUSPENSION

The independent front short- and long-arm suspension and five-link rear suspension work together to improve ride quality and provide you with a greater sense of precision and control.

BRING ON THE TERRAIN

Choose your driving surface. Choose your adventure. With a 34.1-degree approach angle, a 20.6-degree breakover angle, and a departure angle of 27.1 degrees, Grand Cherokee gives you superb performance no matter what the terrain.

◀ JEEP GRAND CHEROKEE LIMITED
SHOWN IN MINERAL GRAY METALLIC

ULTIMATE CAPABILITY

When you're equipped with any one of these advanced 4WD systems, greater confidence, wherever you choose to drive, is simply part of the plan. **Quadra-Drive® II:** Provides front and rear Electronic Limited-Slip Differentials (ELSD) that can help transfer 100 percent torque to any one wheel with traction. Trail Rated® Quadra-Drive II helps Jeep® Grand Cherokee climb up the rockiest hills and through the deepest snowdrifts for ultimate traction during severe road conditions. **Quadra-Trac II®:** The innovative all-speed traction control built into this Trail Rated® system helps keep you safely on course. If wheel slippage is detected, up to 100 percent of the available torque can be routed to the axle with the most traction. Shift into low range for even greater performance to conquer challenging conditions off-road. **Quadra-Trac I®:** Standard on Laredo 4WD, this full-time system operates smoothly, with no driver interaction required. Under normal driving conditions, torque is distributed 48 percent to the front wheels and 52 percent to the rear wheels. If wheel slippage occurs, the integrated traction control system helps transfer torque to those wheels with traction for secure 4WD capability when driving on-road during hazardous weather conditions. **SRT® 4WD:** It can harness 420 hp and 420 lb-ft of torque to launch Grand Cherokee SRT8® from 0–60 mph in under five seconds, on wet or dry pavement. It's built to handle the burly 6.1L SRT HEMI® V8 engine, providing powerful on-road traction; not intended for off-road use.

THE 2008 JEEP, GRAND CHEROKEE INCLUDES A LIFETIME POWERTRAIN LIMITED WARRANTY. No deductible. See dealer for a copy of limited warranty and details. Non-Transferable. Not available on SRT, diesel vehicles, and certain fleet vehicles.

GRAND CHEROKEE 4x4 POWERTRAINS ♦ SRT8® = SRT® 4WD + 6.1L HEMI® V8 Engine ♦ Overland = Quadra-Drive® II + 5.7L HEMI® V8 Engine (3.0L V6 Turbo Diesel Engine Opt.) ♦ Limited = Quadra-Trac II® (Quadra-Drive II Opt.) + 4.7L V8 Engine (5.7L HEMI V8 Engine/3.0L V6 Turbo Diesel Engine Opt.) ♦ Laredo = Quadra-Trac I® (Quadra-Trac II/Quadra-Drive II Opt.) + 3.7L V6 Engine (4.7L V8 Engine Opt.)

JEEP TRAIL RATED® vehicles are designed to perform in a variety of off-road conditions identified by five performance categories:

ARTICULATION

The ability to keep tires in contact with the road, providing traction to climb over large obstacles.

TRACTION

The ability to transfer power to the road or trail along with the ability of the suspension to keep the wheels in contact with the terrain.

MANEUVERABILITY

The ability to navigate around obstacles that are tightly situated.

GROUND CLEARANCE

The ability to drive over large obstacles or logs in combination with approach/departure/breakover angles.

WATER FORDING

The ability to cross a specific depth of water at a specific speed.

Do not attempt water fording unless depth is known to be less than 20 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.

EMPOWERING CHOICES

Jeep® Grand Cherokee gives you more engine choices than any other vehicle in its class.⁽¹⁾ **3.0L V6 Turbo Diesel Engine:**⁽²⁾ Advanced technology results in renowned BEST-IN-CLASS⁽¹⁾ distinction for fuel economy,⁽³⁾ as well as for driving range. You'll harness 215 hp that's charged with 376 lb-ft of torque that can accelerate Grand Cherokee from 0-60 mph in about nine seconds. **5.7L HEMI® V8 Engine with MDS:** Traveling on the highway, the HEMI engine's 330 hp and 375 lb-ft of torque jet you into passing and merging mode with ease. Maintain your cruising speed between 40 mph and 60 mph and the Multi-Displacement System (MDS) kicks in, deactivating four of the engine's eight cylinders, adding gas-saving economy.⁽⁴⁾ **All new 4.7L V8 Engine:** This workhorse can run on gas or ecologically friendly E85. Fill your tank with either fuel type and you'll still command 305 hp and 334 lb-ft of torque. **3.7L V6 Engine:** This efficient, durable and strong performer operates smoothly and quietly. An economical choice proven to serve well. **6.1L SRT® HEMI V8 Engine:** You're served up a whopping 420 hp that can shoot the strong-hearted from 0-60 mph in less than five seconds. Only available on the Grand Cherokee SRT8.®

⁽¹⁾Based on 2007 *Automotive News* Lower Mid-Range Sport-Utility segment.

⁽²⁾At this time, due to unique regulatory requirements in California and other states that require California emissions regulations, Jeep® vehicles equipped with diesel engines will not be available in CA, NY, ME, MA, VT, PA, CT or RI.

⁽³⁾EPA estimated mpg 18 city/23 highway.

⁽⁴⁾EPA estimated mpg 13 city/19 highway.

(FOR MORE INFO SEE PAGES 26 AND 27.)

JEEP GRAND CHEROKEE LIMITED SHOWN IN STEEL BLUE METALLIC

HIGH-STANDARD STREET SMARTS

Jeep® Grand Cherokee's robust Electronic Stability Program (ESP)⁽¹⁾ includes Electronic Roll Mitigation (ERM), antilock brake system (ABS) and Brake Assist, and now partners with the new Trailer Sway Control (TSC), all working together to help you and your trailer load safely reach your destination. When the network of ESP sensors detect that you're veering off your intended path, this comprehensive system instantaneously takes action to help keep you moving safely forward. Hill Start Assist (HSA) and Hill Descent Control (HDC) are new available features that employ automatic braking to help get you safely up and down the mountain. Choose available ParkView^{®(2)} with its rear back-up camera, to assist in the detection of hidden obstacles during reverse maneuvers. New High Intensity Discharge (HID) headlamps improve nighttime visibility by casting a beam of light three times brighter down the road.

⁽¹⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Please always wear your seat belt.

⁽²⁾Always check entire surroundings before backing up.

⁽³⁾Always use seat belts. Children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child's age and size.

The Tire Pressure Monitoring Display, standard on Overland, Limited and SRT8,[®] notifies you if any tire loses air pressure. Standard side-curtain and advanced multistage front air bags⁽³⁾ work in tandem to provide protection.

AN ULTIMATELY GRAND EXPERIENCE

A wishlist of premium capability, comfort and entertainment features are all standard, making the 2008 Jeep® Grand Cherokee Overland one of the most physically fit 4x4 SUVs on the road today. Gorgeous chrome exterior accents garner a great deal of attention, but take a look under the hood for more of the Overland story. Its enviable powertrain begins with the standard 5.7L HEMI® V8 engine with its fuel-saving Multi-Displacement System (MDS)⁽¹⁾ paired with the class-leading king of 4WD, Quadra-Drive® II. Yet with all of this infusion of power, you still experience a gloriously quiet ride. Hundreds of sound-dampening elements are fully integrated into Grand Cherokee Overland's design. Combine all these standard premium features with its legendary Jeep brand Go Anywhere, Do Anything™ character, and you'll know that just one word can put you on the trail of the ultimate Grand Cherokee: Overland.

When the MDS feature on the 5.7L HEMI® V8 kicks in at cruising speeds, four of the engine's eight cylinders deactivate to provide fuel savings,⁽¹⁾ without giving up any power when you need it. New High Intensity Discharge (HID) headlamps have an auto-leveling feature that keeps them level, regardless of what you're carrying. Standard on Overland.

⁽¹⁾EPA estimated mpg 13 city/19 highway with MDS. Fuel savings vary depending on driving habits and conditions.

JEEP GRAND CHEROKEE OVERLAND SHOWN IN BLACK

JEEP GRAND CHEROKEE OVERLAND ROYALE LEATHER-TRIMMED INTERIOR SHOWN IN SADDLE BROWN

INGENIOUS SOPHISTICATION

Jeep® Grand Cherokee Overland's exquisite interior boasts an unparalleled number of standard premium features. Front- and second-row seats are heated and covered in Royale leather with Axis Perforated trim and Ardwyn piping. Your steering wheel is more functional with EVIC controls at your fingertips and a new tilt/telescoping feature that adjusts for your comfort. The standard MyGIG® Multimedia Infotainment System⁽¹⁾ features the 276-watt Premium Sound System with six Boston Acoustics® speakers for the ultimate audio experience.

The new, standard MyGIG® Multimedia Infotainment System,⁽¹⁾ with touch-screen capability, is a voice-activated navigation, audio, entertainment and communication device. You'll get real-time traffic updates, ParkView® Rear Back-Up Camera,⁽²⁾ plus you can upload pictures and up to 1,600 songs to its 20GB hard drive, and much, much more.

JEEP GRAND CHEROKEE LIMITED SHOWN IN MINERAL GRAY METALLIC

LIMITED

UNLIMITED ELEGANCE

Jeep® Grand Cherokee Limited shines with spectacular exterior chrome details on the traditional Jeep brand seven-slot grille and body trim. Limited also delivers a healthy dose of punched-up premium power, thanks to a standard all new 4.7L V8 engine (and its 305 hp and 334 lb-ft of torque), paired with the Quadra-Trac II® 4WD system. Those craving more power can move up to the available 5.7L HEMI® V8 and Quadra-Drive® II 4WD system. Standard safety and security features include an antilock brake system, Electronic Stability Program (ESP) with Electronic Roll Mitigation (ERM), Tire Pressure Monitoring Display System, rain-sensitive automatic wiper system and SmartBeam™ intelligent headlamp system.

The brawny 4.7L V8 engine is standard on Limited. The optional 3.0L V6 Turbo Diesel engine⁽¹⁾ owes its efficiency⁽²⁾ to a smart design that uses a highly pressurized fuel rail connected to piezo injectors that help fuel burn more completely. The standard SmartBeam™ intelligent headlamp system adjusts high-beam brightness and intensity automatically, letting you concentrate on the road ahead.

⁽¹⁾At this time, due to unique regulatory requirements in California and other states that require California emissions regulations, Jeep® vehicles equipped with diesel engines will not be available in CA, NY, ME, MA, VT, PA, CT or RI.
⁽²⁾EPA estimated mpg 18 city/23 highway.

LIMITED

AN ELEGANT EXPERIENCE

JEEP. GRAND CHEROKEE LIMITED ROYALE LEATHER-TRIMMED INTERIOR SHOWN IN DARK KHAKI/LIGHT GRAYSTONE

CAPABILITY WITH STYLE

For refined value infused with authentic Jeep® brand DNA, choose Jeep Grand Cherokee Laredo. Its variable-ratio rack-and-pinion steering, independent front/multilink rear suspension system, Electronic Stability Program (ESP) with Electronic Roll Mitigation (ERM) and Tire Pressure Monitoring Warning System are all standard. Laredo offers plenty of capability too, with the Quadra-Trac I® full-time 4WD system paired with the economical 3.7L V6 engine. The new, standard tilt/telescoping steering wheel provides adjustable comfort. A generous cargo capacity of 68.5 cu ft holds plenty of gear. Start your Laredo from up to 230 ft away with the available Remote Start System.

Adjust the tilt/telescoping steering wheel for comfort. Standard interior features include many storage bins and pockets, manual climate control with rear-seat outlets and a waterproof cargo insert. Properly secure all cargo.

GRAND CHEROKEE LAREDO ♦ **STANDARD** ♦ 3.7L V6 Engine with 5-Speed Automatic Transmission ♦ Quadra-Trac I® 4WD (4x4 models) ♦ All-Speed Traction Control ♦ AM/FM Stereo Radio and CD Player ♦ SIRIUS Satellite Radio ♦ **AVAILABLE** ♦ 4.7L V8 Engine with Multispeed Automatic Transmission ♦ Quadra-Trac II® 4WD ♦ Quadra-Drive® II 4WD ♦ Boston Acoustics® Premium Sound System ♦ UConnect® Hands-Free Communication System ♦ Power Sunroof

JEEP GRAND CHEROKEE LAREDO SHOWN IN JEEP GREEN METALLIC

FINER POINTS OF POWER. Hold on tight. The standard 6.1L SRT® HEMI® V8 engine can take you from a standstill to 60 mph in under five seconds on wet or dry pavement. That's fast enough to earn a standing ovation from any crowd.

Twin chrome 4-inch exhaust tips over a genuine dual exhaust system with 2.75-inch-diameter pipes speak volumes about the power of SRT8®.

SRT8®

KING OF THE THRILL

Jeep® Grand Cherokee SRT8® claims the auspicious title of “Fastest Vehicle in Its Class”⁽¹⁾ by taking the ultimate in street performance technology and infusing it with authentic Jeep brand DNA. Settle into SRT8's race-inspired seating to command a 420-hp 6.1L SRT HEMI® V8 engine with 420 lb-ft of torque and an estimated top speed of over 150 mph. This beast can launch you from 0-60 mph in under five seconds, on either wet or dry pavement. Only the beefed-up SRT® 4WD system with its active full-time transfer case and all-speed traction control has the guts to handle this kind of action. SRT8's incredible velocity is countered by its four-piston Brembo® Performance brake calipers and 14.2-inch front and 13.8-inch rear rotors, cooled by integrated, fully functional brake ventilation ducts — all working together to provide optimal stopping power.

⁽¹⁾Based on 2007 *Automotive News* Lower Mid-Range Sport-Utility segment 0-60 mph performance.

Even the cabin is built for speed and style. Race-inspired front seating and a refined aluminum finish on the instrument panel, shifter bezel and floor console help give SRT8® a sporty look.

GRAND CHEROKEE SRT8® ♦ **STANDARD** ♦ 5-Speed Automatic Transmission with Electronic Range Select ♦ SRT® 4WD Active Full-Time Transfer Case ♦ Electronic Stability Program (ESP) with Electronic Roll Mitigation (ERM) ♦ Performance-Tuned Suspension and Steering ♦ 20-Inch Goodyear Run-Flat Tires with Polished Forged-Aluminum Wheels ♦ Boston Acoustics® Premium Sound System ♦ **AVAILABLE** ♦ Full-Screen GPS Navigation System ♦ Rear-Seat DVD Video Entertainment System (VES®)

AUTHENTIC JEEP ACCESSORIES.

When you enhance your Jeep® Grand Cherokee with Authentic Jeep Accessories by Mopar, you gain far more than substantial style, premium protection or extreme entertainment. You also benefit from the authentic difference found only in an original equipment accessory. It's a difference that demands tighter tolerances and envelope-pushing testing methods. And one backed by a superior warranty⁽¹⁾ serviced by Jeep dealerships nationwide. Choose the full line of accessories that feature a fit, finish and functionality designed specifically for your Grand Cherokee. Explore the possibilities at mopar.com.

[A]

GOOD LOOKS CAN TAKE YOU FAR. Our corrosion-resistant accessories give you rugged good looks on or off the beaten path.

[A] Chrome Front Air Deflector. Put a bold appearance right up front with a Chrome Front Air Deflector designed to help deflect road spray, dirt and bugs up and away from your windshield.
Molded Running Boards. Our Molded Running Boards are constructed of heavy-gauge steel for safe and easy entry and exit, and feature a Black molded-grain plastic outer cover.

[B] Tubular Side Steps. These premium steps feature extra-wide, textured stepping surfaces for easy entry and exit and mount securely with corrosion-resistant, ElectroCoated steel mounting brackets. No drilling is required. Available in Chrome or Black.

[C] Chrome Fuel Filler Door. Add a bright complement to your Grand Cherokee's good looks with this two-piece design.

[D] Door Sill Guards. Start your day on a bright note while protecting your vehicle's interior sills from scratches.

A NEW SPIN ON STYLE. Our premium wheels are machined for a balanced ride with a guaranteed, long-lasting shine.

1. 18-inch Chrome Cast-Aluminum Wheel
2. 17-inch Chrome Plated Wheel
3. 17-inch Black Painted Cast-Aluminum Wheel
4. 17-inch Black Pocket Cast-Aluminum Wheel (shown on A)

[H]

[I]

[J]

[K]

[L]

[M]

[E] Rear Air Deflector. Keeps your vehicle's rear window clear by directing a stream of air across it while the vehicle is moving. Deflector features Jeep® logo.

[F] Side Window Air Deflectors. Now you can partially open your side windows while remaining dry in even the nastiest weather. Air deflector is constructed of tinted acrylic and comes in a set of four.

[G] Taillamp Guards. For stylish impact around town and protection off-road, these guards are a fashionably functional accessory.

[H] Rock Rails. Corrosion-resistant, stylish rails feature a full-length integrated rub bar for lower body-side protection.

[I] Slush Mats. Heavy-duty mats feature deep grooves to help prevent water, snow and mud from damaging your Grand Cherokee's carpet.

[J] DVD Rear Seat Video.[™] This integrated, single-disc CD/DVD features a 10-inch (or optional 7-inch) screen, wireless headphones and remote.

[K] Hitch Receiver.⁽¹⁾ Your Grand Cherokee will really haul when it's equipped with this Class IV Hitch Receiver that features a 2-inch opening with a towing capacity of up to 7,200 lb with weight distributing equipment.

[L] Rear View Camera.⁽²⁾ The camera's 3½" diagonal screen shows a view of what's behind

you and includes on-screen markers to help you determine an object's distance from your vehicle.

[M] Interface Module for iPod.[®] This FM bounded system allows you to listen to your favorite music through your vehicle's audio system. iPod music file navigation is maintained by the iPod click wheel.

⁽¹⁾Check owner's manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped.

⁽²⁾Always check entire surroundings before backing up.

⁽³⁾Properly secure all cargo.

Journey deeper into the Jeep® brand lifestyle at Camp Jeep®, the ultimate adventure held exclusively for Jeep owners and their guests. We invite you to join us for three unforgettable days of activities, entertainment and camaraderie. Some of the action-packed thrills include 4x4 Trail Rides, Off-Road Courses, Adventure Sports, Guided

Hikes and Kids Activities. Immerse yourself in Jeep brand history and talk with Jeep vehicle engineers.

Grand Cherokee arrives with a long list of standard features and available luxuries, always ready to set out for true adventure backed by authentic Jeep brand power.

jeep.com/grandcherokee

Have fun out there. Jeep®

This road show performs.

In the case of the 2009 Jeep® Grand Cherokee, its sure-footed nature is further enhanced with engine options that are each capable in their own rights. Just as the name Jeep echoes capability through the canyons and valleys of the world, HEMI® has become nothing short of a synonym for performance on the boulevards, highways and well-traveled avenues. Today, the 5.7L HEMI V8 with VVT and MDS has evolved into the most

modern of efficient performers, and Grand Cherokee serves as its showcase. You can craft an economical performance⁽¹⁾ from one of the mightiest engines available worldwide. Traveling on the highway, the HEMI engine's 357 hp and 389 lb-ft of torque jet you into passing and merging mode with ease. Maintain your cruising speed and the engine's Multi-Displacement System (MDS) kicks in, deactivating four of the engine's eight cylinders, boosting fuel efficiency. But when you bury the pedal, the HEMI seamlessly springs back to life, running on all eight hemispherical combustion chambers in less than 40 milliseconds. Variable Valve Timing (VVT) technology helps the HEMI make the most of precious fuel at every speed. With Grand Cherokee you have more available engines than any other vehicle in its class.⁽²⁾ This is one powerful green machine. The available 4.7L V8 engine is a Flexible Fuel workhorse that can run on gas or ecologically friendly E85, a fuel that's an 85 percent concentration of ethanol. Fill your tank with either gas or E85 and you'll still command 305 hp and 334 lb-ft of torque. The available 3.7L V6 engine is an efficient, durable and strong performer that operates smoothly and quietly, an economical choice proven to serve well. The 6.1L SRT® HEMI V8 engine serves up a whopping 420 hp that can shoot the strong-hearted from 0-60 mph in less than five seconds. Only available on the Grand Cherokee SRT8.® When properly equipped with Authentic Jeep Towing Accessories by Mopar, Grand Cherokee can tow up to 7,400 lb of fun. When you enhance your Grand Cherokee with Authentic Jeep Accessories by Mopar, you gain more style, premium protection or extreme entertainment. You'll also benefit from the authentic difference found only in an original equipment accessory. Explore the possibilities at mopar.com.

⁽¹⁾13 city/18 hwy manufacturer's preliminary fuel economy ratings. Fuel savings vary depending on driving habits and conditions. ⁽²⁾Based on 2007 *Automotive News* Lower Mid-Range Sport-Utility segment.

AUTHENTIC JEEP. ACCESSORIES

Jeep® Grand Cherokee Limited shown in Bright Silver Metallic with trailering equipment, Authentic Jeep Accessories by Mopar.

Go everywhere.

Tackle a mountaintop. Confidently cruise over city streets drenched with rain, mud or snow. Rule the trail. On top of it all, the 2009 Jeep® Grand Cherokee includes a Lifetime Powertrain Limited Warranty that offers the best coverage in the industry.⁽¹⁾ For powertrain prowess, here are your

4WD options. Quadra-Drive® II: Provides front and rear Electronic Limited-Slip Differentials (ELSD) that can help transfer 100 percent torque to any one wheel with traction. Quadra-Drive II delivers Trail Rated® capability to help

Jeep Grand Cherokee climb rocky hills and plow through deep snowdrifts for ultimate traction. Quadra-Trac II®: The innovative all-speed traction control built into this Trail Rated system helps keep you safely on course. If wheel slippage is detected, up to 100 percent of the available torque can be routed to the axle with the most traction. Shift into low range for rock-crawling prowess. Quadra-Trac I®: Standard on Laredo 4WD, this full-time system operates smoothly, with no driver interaction required. Under normal driving conditions, torque is distributed

48 percent to the front wheels and 52 percent to the rear wheels. If wheel slippage occurs, the integrated traction control system helps transfer torque to the axle with traction for secure 4WD capability. SRT® 4WD: It can harness 420 hp and 420 lb-ft of torque to launch Grand Cherokee SRT8® from 0–60 mph in under five seconds, on wet or dry pavement; not intended for off-road use. JEEP TRAIL RATED vehicles are designed to perform in a variety of off-road conditions identified by five performance

categories: ARTICULATION — The ability to keep tires in contact with the ground, providing traction to climb over large obstacles. TRACTION — The ability to transfer power to the road or trail along with the ability of the suspension to keep the wheels in contact with the terrain. MANEUVERABILITY — The ability to navigate around obstacles that are tightly situated. GROUND CLEARANCE — The ability to drive over large obstacles or logs in combination with approach/departure/breakover angles. WATER FORDING — The ability to cross a specific depth of water at a specific speed.⁽²⁾ ⁽¹⁾No deductible. See dealer for a copy of limited warranty details. Non-Transferable. Not available on SRT,® diesel vehicles and certain fleet vehicles. ⁽²⁾Do not attempt water fording unless

depth is known to be less than 20 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.

Play it safe out there.

★★★★★
FIVE-STAR

HIGHEST GOVERNMENT
FRONT & SIDE CRASH RATING

Jeep® Grand Cherokee has earned the U.S. government's highest rating — Five Stars — for front- and side-impact crash testing for driver, front, and rear passengers,⁽¹⁾ as rated by the National Highway Traffic Safety Administration (NHTSA). Using a consumer-friendly rating system ranging from one to five stars, NHTSA rates the predicted performance of tested vehicles. Grand Cherokee's robust Electronic Stability Program (ESP)⁽²⁾ includes Electronic Roll Mitigation (ERM), antilock brake system (ABS) with Brake Assist, all-speed traction control and Trailer Sway Control (TSC) conveniently packaged with the Trailer Tow Groups. By alternating brake pressure, TSC helps reduce trailer sway and improves handling in adverse towing conditions caused by crosswinds and traffic. When the network of ESP sensors detect that you're veering off your intended path, this comprehensive system instantaneously takes action to help keep you moving safely forward. Hill Start Assist (HSA) and Hill Descent Control (HDC) are available features packaged with Quadra-Trac II® and Quadra-Drive® II 4WD systems that employ automatic braking to help get you safely up and down the mountain. Choose available ParkView⁽³⁾ with its rear back-up camera, to assist in the detection of hidden obstacles during reverse maneuvers. High Intensity Discharge (HID) headlamps with an auto-leveling feature improve nighttime

visibility by casting a beam of light three times brighter down the road. The Tire Pressure Monitoring Display System, standard on Overland, Limited and SRT8®, gets your attention by displaying 'LOW TIRE,' in addition to the symbol lamp, to notify you if any tire loses air pressure. Standard side-curtain and advanced multistage front air bags⁽⁴⁾ work in tandem to provide protection. The available Rain-Sensing Automatic Wiper System helps you play safe by going into action the moment raindrops hit the windshield. ⁽¹⁾Star ratings are a part of the U.S. Department of Transportation's SaferCar.gov program (www.safercar.gov) ⁽²⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ⁽³⁾Always check entire surroundings before backing up. ⁽⁴⁾Always use seat belts. Children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child's age and size.

Jeep® Grand Cherokee Limited shown in Modern Blue Pearl.

The uconnect 6.5-inch touch screen in Jeep® Grand Cherokee shown actual size.

Sky-high tech.

uconnect The 6.5-inch touch screen with the available **uconnect tunes** provides entertainment, information, and communication, all through an AM/FM/CD/DVD⁽¹⁾ stereo system. A 30GB hard drive allows you to store photos, playlists, and songs, and you can rip, stash, organize, and shuffle up to 6,700 digital music files from CDs, the integrated USB port, or exterior input jack. The touch screen allows you to easily change radio stations and play digital audio files. Or step up to **uconnect gps**, which includes all the same great features, and adds the convenience of full-mapping, turn-by-turn navigation with real-time traffic updates through SIRIUS[®] Satellite Radio.⁽²⁾ The included uconnect phone provides hands-free, voice-activation capability with your Bluetooth[®] compatible phone.

uconnect studios Gain access to over 130 channels, including 100% commercial-free music, sports, news, talk, entertainment, traffic, and weather. The available SIRIUS Backseat TV[™] allows live streaming content from three favorite family channels — Nickelodeon[™], Disney Channel, and Cartoon Network — to stream directly to your Grand Cherokee 24/7. For added value, front-seat passengers can enjoy separate programming on SIRIUS Satellite Radio while rear-seat occupants view SIRIUS Backseat TV.

uconnect phone Go high-tech with an in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth compatible phone virtually hands-free. **uconnect web** Turn your vehicle into a WiFi Hotspot. This Authentic Jeep[®] Accessory by Mopar allows every passenger in your vehicle to harness the power and entertainment value of the Internet at the same time. Subscription required, sold separately.

⁽¹⁾uconnect in-dash DVD capability not available in all states. See your dealer for details. ⁽²⁾"SIRIUS," the SIRIUS dog logo, "SIRIUS Backseat TV" and related marks are trademarks of SIRIUS Satellite Radio Inc. King of the thrill.

SRT8.® Grand Cherokee SRT8 claims the auspicious title of “Fastest Vehicle in Its Class”⁽¹⁾ by taking authentic Jeep® brand DNA and infusing it with the ultimate in street performance technology. Settle into the luxurious leather-trimmed interior of SRT8 to command a thrilling 420-hp 6.1L SRT® HEMI® V8 engine with 420 lb-ft of torque and an estimated top speed of over 150 mph. This beast can launch you from 0-60 mph in under five seconds, on either wet or dry pavement. The beefed-up SRT 4WD system with its active full-time transfer case and all-speed traction control has the guts to handle this kind of action. The SRT8’s power is countered by its four-piston Brembo® Performance brake calipers and 14.2-inch front and 13.8-inch rear rotors, cooled

by integrated, fully functional brake ventilation ducts. Even the cabin is built for speed and style. Race-inspired front seating and a refined aluminum finish on the instrument panel, shifter bezel and floor console help give SRT8 a look all its own. Twin chrome four-inch exhaust tips over a genuine dual exhaust system with 2.75-inch-diameter pipes speak volumes about the power of SRT8. New for 2009 is the segment exclusive Dura-Bright® wheel treatment from Alcoa. This revolutionary wheel treatment is bonded directly to the wheel to provide protection and convenience throughout the life of the wheel. No longer is there a need to spend money or time after a day at the track removing brake dust and grime with harsh abrasives or polishing compounds. Simply wash away dirt, brake dust and oil with soap and water, leaving less work, and more time to enjoy your SRT8. STANDARD: 6.1L SRT HEMI V8 Engine, SRT 5-Speed Automatic Transmission with Electronic Range Select, SRT 4WD Active Full-Time

Transfer Case, Electronic Stability Program (ESP) with Electronic Roll Mitigation (ERM), Performance-Tuned Suspension and Steering, 20-Inch Goodyear® Run-Flat Tires on Polished Forged-Aluminum Wheels with Dura-Bright Finish, Boston Acoustics® Premium Sound System. AVAILABLE: uconnect gps, uconnect web, Rear-Seat DVD Video Entertainment System (VES®) ⁽¹⁾Based on 2007 *Automotive News* Lower

Mid-Range Sport-Utility segment 0-60 mph performance.

Jeep® Grand Cherokee SRT8® shown in Red Rock Crystal Pearl.

Jeep® Grand Cherokee Overland shown in Brilliant Black Metallic.

You won't miss the kitchen sink.

Overland. Virtually every top-of-the-line feature is standard in the 2009 Jeep® Grand Cherokee Overland. Its smart 5.7L HEMI® V8 engine with a Multi-Displacement System (MDS)⁽¹⁾ and Variable Valve Timing (VVT) works like a modern wonder. The engine performs at its economical best when the MDS has deactivated four of the engine's eight cylinders during cruising speeds, for added fuel savings,⁽¹⁾ without deleting any power when you need it. The 5.7L HEMI V8 engine is paired with Quadra-Drive® II 4WD (4x4 models), the most capable in its class. Its Electronic Limited-Slip Differentials (ELSD) can transfer 100 percent torque to any one wheel with traction within a fraction of a second. In Overland's cabin, a standard 276-watt Premium Sound System with six Boston Acoustics® speakers is matched to uconnect gps and a new Universal Consumer Interface (UCI) that allows you to operate your iPod® through the system. The uconnect phone is standard, as well. ParkSense® Rear Park Assist System⁽²⁾ and ParkView® Rear Back-Up Camera⁽²⁾ help you safely navigate in Reverse. Overland's exquisite interior is trimmed with real Walnut Burlwood and Grand Cherokee's top-of-the-line leather trim with front- and second-row seats that are heated. Choose the Rear-Seat DVD Video Entertainment System (VES®) and uconnect studios including SIRIUS Backseat TV™ to add the final touch to Overland's very luxurious interior. STANDARD: Premium Chrome Exterior Accents, 5.7L HEMI® V8 Engine with MDS, Variable Valve Timing (VVT), Quadra-Drive II 4WD System (4x4 models), Electronic Stability Program (ESP), Class IV Trailer Tow Group, SmartBeam™ Intelligent Headlamp System, 18-Inch Chrome-Clad Wheels, Rain-Sensing Automatic Wiper System, uconnect studios including SIRIUS Satellite Radio, uconnect phone, Infrared Dual Zone Climate Control, ParkSense Rear Park Assist System,⁽²⁾ ParkView Rear Back-Up Camera,⁽²⁾ Tire Pressure Monitoring Display System with 'LOW TIRE' Notification, Remote Start, Tip Start, Power Sunroof. AVAILABLE: Rear-Seat DVD Video Entertainment System (VES), uconnect studios including SIRIUS Backseat TV.

⁽¹⁾13 city/18 hwy manufacturer's preliminary fuel economy ratings. Fuel savings vary depending on driving habits and conditions.

⁽²⁾Always check entire surroundings before backing up.

The lure of the upscale climb.

Limited. The 2009 Jeep® Grand Cherokee Limited gleams with exterior chrome details and boasts an unmistakable confidence from any angle. No wonder, as it is equipped with a standard 3.7L V6 engine and the Quadra-Trac I® 4WD system. A standard leather-appointed cabin includes luxuriously heated leather and suede microfiber-trimmed seating for passengers in both the front and second rows. The tilt/telescoping steering wheel takes its tailoring as seriously as the Limited's capabilities. Limited comes loaded with uconnect gps and it now includes a Universal Consumer Interface (UCI) that integrates your iPod® with the 6.5-inch touch screen on the standard uconnect gps. The standard Infrared Dual Zone Climate Control with sun sensors and rear-seat heat and air conditioning outlets create a customized interior environment. The standard sunroof with convenient one-touch express operation offers an instant breath of fresh air, inviting the great outdoors into an otherwise brilliantly controlled climate. STANDARD: 3.7L V6 Engine with 5-speed

Automatic Transmission, Quadra-Trac I® 4WD (4x4 models), SmartBeam™ Intelligent Headlamp System, Rain-Sensing Automatic Wiper System, uconnect gps, Boston Acoustics® Premium Sound System, uconnect studios including SIRIUS Satellite Radio, Infrared Dual Zone Climate Control, uconnect phone, ParkSense® Rear Park Assist System,⁽¹⁾ ParkView® Rear Back-Up Camera,⁽¹⁾ Tire Pressure Monitoring Display System with 'LOW TIRE' Notification, Power Adjustable Pedals with Memory, 115-Volt Auxiliary Power Outlet, Power Sunroof. AVAILABLE: 5.7L HEMI® V8 Engine with MDS and VVT, Quadra-Drive® II 4WD (4x4 models), High-Intensity Discharge (HID) Headlamps, uconnect web (Authentic Jeep Accessory by Mopar, subscription required, sold separately), uconnect studios including SIRIUS Backseat TV™ with Rear-Seat DVD Video Entertainment System (VES®). ⁽¹⁾Always check entire surroundings before backing up.

Jeep® Grand Cherokee Limited Royale leather-trimmed interior shown in Dark Khaki/Light Graystone.

Jeep, Grand Cherokee Laredo shown in Jeep Green Metallic.

The practicalities of refined value.

Laredo. The 2009 Jeep® Grand Cherokee Laredo 4x4 comes equipped with the Quadra-Trac I® full-time 4WD system and robust 3.7L V6 engine, and combines all the bells and whistles with Grand Cherokee's most-valued finery. Opt for the 4.7L V8 engine for added towing strength of up to 6,500 lb.⁽¹⁾ Laredo's exceptional road manners are born from variable-ratio rack-and-pinion steering and an independent front/multilink rear suspension system. Standard Electronic Stability Program (ESP)⁽²⁾ helps maintain vehicle control during challenging driving situations, plus a Tire Pressure Monitoring Warning System provides immediate 'LOW TIRE' notification. uconnect studios including SIRIUS Satellite Radio comes standard with 130 channels of commercial-free stations. The available Remote Start System gets things warmed up or cooled off before you drive and a new feature on the key fob opens the front windows from afar to let in fresh air. Other standard features include an array of storage bins and pockets, manual climate control with rear-seat outlets and a waterproof cargo insert. A generous cargo capacity of 68.5 cu ft holds plenty of gear. Just remember to properly secure all cargo.

STANDARD: 3.7L V6 Engine with 5-Speed Automatic Transmission, Quadra-Trac I® 4WD (4x4 models), Electronic Stability Program (ESP)⁽²⁾ Brake Assist and All-Speed Traction Control, AM/FM Stereo Radio and CD Player, uconnect studios including SIRIUS Satellite Radio, Tire Pressure Monitoring Warning System. POWERTRAIN

Engine	3.7L V6	4.7L V8	5.7L HEMI® V8	6.1L SRT® HEMI V8
Displacement (cu in)	226	287	345	370
Horsepower (SAE net @ rpm)	210 @ 5,200	305 @ 5,650	357 @ 5,200	420 @ 6,200
Torque (SAE net lb-ft @ rpm)	235 @ 4,000	334 @ 3,950	389 @ 4,350	420 @ 4,800
Axle Ratio	3.07:1	3.73:1	3.73:1	3.73:1

Fuel System Sequential multipoint electronic fuel injection

Variable Valve Timing A technology utilized in Formula One race cars, is now featured in the 5.7L HEMI V8. VVT offers increased engine breathing throughout the RPM range by varying the degree that the valves open and close in conjunction with the piston position. Results are tangible: better performance, more efficient operation and increased torque for towing and hauling.

Multi-Displacement System (MDS) Deactivates 4 cylinders (1, 4, 6, and 7) during steady speed between 40-60 mph, low-acceleration and shallow-grade climbing conditions. Fuel economy is improved up to 6 percent, depending on driving habits[®] (5.7L HEMI® V8)

Transmission 5-speed automatic with Electronic Range Select, Tow/Haul feature, adaptive electronic control, Brake-Park Interlock and electronically modulated torque converter (3.7L, 6.1L); Multispeed automatic with 5 forward speeds, alternate 2nd gear, Electronic Range Select, Tow/Haul feature, Brake-Park Interlock and electronically modulated torque converter (4.7L, 5.7L)

FOUR-WHEEL-DRIVE SYSTEM (transfer case)

Quadra-Trac I® NV140[®] Full-time; single-speed with 48/52 front/rear torque split and open front, center, and rear differentials (3.7L)

Quadra-Trac II® NV245 Active full-time; 2-speed with low range (2.72:1) and neutral, variable with 48/52 front/rear default torque split, electronically controlled clutch pack coupling in center differential and open front/rear differentials (4.7L, 5.7L)

Quadra-Drive® II NV245 Active full-time; 2-speed with low range (2.72:1) and neutral, variable with 48/52 front/rear default torque split, electronically controlled clutch pack coupling in center differential and front and rear Electronic Limited-Slip Differentials (4.7L, 5.7L)

SRT NV146 Active full-time; single-speed with variable torque split, electronically controlled clutch pack in center differential and open front and rear differentials (6.1L)

CAPACITIES/WEIGHTS (pounds unless otherwise specified)

It's a Jeep thing.®

From the start, there was a bond. People started to wave at each other.

Groups formed, networks were made, roads were traveled. In a nutshell, "living the Jeep® life" meant, and still means, something more than just owning a vehicle. It's like joining an extended family.

And in our modern age, technology affords us some incredible ways to communicate. Read: the Internet, the World Wide Web. That big *magical* place. It's opened a gazillion doors into the lives of Jeep enthusiasts far and wide. People are sharing their enthusiasm for the brand in

new, unique ways. Which leads us to ... The Experience. Next to jeep.com, the Jeep Experience site (jeep.com/experience) houses everything that relates to the Jeep brand — all wrapped up and

organized for easy viewing. But one of the defining factors is that it also relies heavily on participation from people. A quick glance will show you friends, news, events, history, swag,

as well as links to Jeep YouTube™ channel, Facebook® profile and Flickr® photo group. All of these elements are the glue of the community. Part bulletin board, part show-and-tell. Fans post notes, share photos, share videos — share experiences.

To summarize, Jeep Experience is a haven for Jeep fans — people just like you — who want to join something bigger. And, really, that's just a scratch on the surface.

It's like describing a sunset ... it's better to see it. So go see this site. Owner or not, the table is still set for you. Visit us today. jeep.com/experience

Gifts and Gear for the Jeep Enthusiast

JEEP.COM/GEAR

FRIENDLY DEALERSHIPS offer knowledgeable staff who are professionally trained to guide you with expert advice.

VISIT jeep.com for all the latest information you'll need to be properly equipped for an educated buying decision.

CALL (800) 925-JEEP to speak with one of our Jeep brand customer service representatives for the right answers to your important questions.

LIFETIME POWERTRAIN LIMITED WARRANTY No deductible. See dealer for a copy of limited warranty details. Non-Transferable. Not available on SRT® diesel vehicles, and certain fleet vehicles.

WARRANTY Jeep vehicles are covered by a 3-year or 36,000-mile Basic Limited Warranty. Ask your dealer for additional details and a copy of this limited warranty. Excludes normal maintenance and wear items.

CHRYSLER FINANCIAL delivers Chrysler, Jeep and Dodge customers a personal, worry-free automotive financing experience. More than just another finance company with competitive rates, Chrysler Financial stands behind you through life's twists and turns by offering fast approvals, flexible terms and unparalleled personalized service. Visit cf.com or your Jeep dealer to discover all that Chrysler Financial offers. Taking care of you, all along the way.

2010 Jeep®

Grand Cherokee

Capable style.

Sized right with a noble profile and well-appointed interior, the 2010 Jeep® Grand Cherokee is built to rule every road it travels. Grand Cherokee addresses all challenges with its world-class Jeep brand prowess that's paired with a very long list of standard and available premium features. Choose from three Grand Cherokee models: the big-value Laredo, the very well-appointed Limited or the stunningly powerful SRT8®. You can outfit Grand Cherokee with innovative features like the Media Center 730N touch-screen navigation radio or the Trail Rated® Quadra-Drive® II active four-wheel-drive system with its front and rear Electronic Limited-Slip Differentials, to name just a few. Head out with capable style, and go from there. This is how you enjoy living the Jeep life and everything it has to offer. This is Jeep Grand Cherokee.

How a trademark becomes a benchmark.

Tackle a rock-laden mountaintop or cruise over city streets drenched with rain or snow with complete confidence. The 2010 Jeep® Grand Cherokee boasts the most powertrain options in its class.⁽¹⁾ You can finesse this legendary nameplate's authentic engineering to your specifications, making it into one of the fastest vehicles on the street, an efficient and powerful commuter, or a strong and dependable urban cowboy that's somewhere in-between.

For 4WD brawn, Grand Cherokee offers three distinct options. Quadra-Drive® II delivers class-leading capability with its front and rear Electronic Limited-Slip Differentials (ELSD) that can help transfer 100 percent of torque to any one wheel with traction. Quadra-Trac II® offers all-speed traction control to help keep you on course. If wheel slippage is detected, up to 100 percent of the available torque can be routed to the axle with the most traction. Shift into low range for rock-crawling prowess. Quadra-Trac I® is a full-time system that operates smoothly, with no driver interaction required. Under normal driving conditions, torque is distributed with 48 percent to the front wheels and 52 percent to the rear wheels. If wheel slippage occurs, the integrated traction control system helps transfer torque to the axle with traction for secure 4WD capability.

Three available engines offer their own unique punch: the thrilling 420 horsepower 6.1L SRT® HEMI® V8, the powerful and efficient 5.7L HEMI V8 with its Multi-Displacement System (MDS) and Variable Valve Technology (VVT), and the efficiently quiet and strong 3.7L V6.

⁽¹⁾Based on 2009 *Ward's* Middle Sport/Utility segment. ⁽²⁾Do not attempt water fording unless depth is known to be less than 20 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.

JEEP TRAIL RATED® vehicles are designed to perform in a variety of off-road conditions. Five performance categories outline the superior capabilities that all Trail Rated vehicles share.

ARTICULATION

A Trail Rated suspension system is limber like a gymnast. How exactly? Flexibility is the key to good articulation. The more a wheel can travel, and suspension flex, the better it can maintain contact with terra firma and provide the traction needed to cross an array of obstacles.

TRACTION

The vehicle maintains forward momentum through the tires staying in contact with the road or trail. Trail Rated traction helps you stay in control on untamed terrain, slippery (wet, mud, snow) conditions, and on steep grades.

MANEUVERABILITY

Athletic. Agile. Trail Rated. Jeep 4WD vehicles have the footwork to help navigate narrow gaps, dodge emergency situations and avoid cosmetic damage to the underbody, thanks to precision steering and optimized wheelbases.

GROUND CLEARANCE

Help keep your belly out of the mud. Clear nasty logs, rocks, and uneven ground while helping to prevent undercarriage damage. Trail Rated vehicles feature optimized approach, departure, and breakover angles to keep you in the clear.

WATER FORDING⁽¹⁾

Hit that riverbed with confidence. A Trail Rated Jeep vehicle features additional electrical and body sealing, along with a high air intake location for optimum water fording capability.

⁽¹⁾Do not attempt water fording unless depth is known to be less than 20 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.

Smarts with **style to spare.**

Jeep® Grand Cherokee Limited shown in Modern Blue Pearl.

Air of confidence.

★ ★ ★ ★ ★
FIVE - STAR

HIGHEST GOVERNMENT
FRONT & SIDE CRASH RATING

Jeep® Grand Cherokee has earned the U.S. government's highest rating — Five Stars — for front- and side-impact crash testing for driver, front passenger, and rear passengers,⁽¹⁾ as rated by the National Highway Traffic Safety Administration (NHTSA).

Grand Cherokee's robust Electronic Stability Control (ESC)⁽²⁾ includes Electronic Roll Mitigation (ERM), antilock brake system (ABS) and Brake Assist, all-speed traction control, and available Trailer Sway Control (TSC). By alternating brake pressure, TSC helps reduce trailer sway and improves handling in adverse towing conditions caused by crosswinds and traffic. When the network of ESC sensors detects that you're veering off your intended path, this system instantaneously takes action to help keep you moving forward.

Hill Start Assist (HSA) and Hill Descent Control (HDC) are available features that employ automatic braking to help get you up and down the mountain. Choose the available ParkView^{®(3)} Rear Back-Up Camera to assist in the detection of hidden obstacles during reverse maneuvers. High Intensity Discharge (HID) headlamps with auto-leveling are available to improve nighttime visibility by casting a beam of light three times brighter down the road. Standard side-curtain and advanced multistage front air bags⁽⁴⁾ work in tandem to provide protection. The available Rain-Sensing Automatic Wiper System goes into action the moment raindrops hit the windshield.

⁽¹⁾Star ratings are part of the U.S. Department of Transportation's SaferCar.gov program (safercar.gov) ⁽²⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ⁽³⁾Always check entire surroundings before backing up. ⁽⁴⁾The Advanced Front Air Bags in this vehicle are certified to the new Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. Air bags shown deployed for illustrative purposes only.

Properly inflated tires aid fuel efficiency.

The Tire Pressure Monitoring Display System, standard on Limited, S-Limited, and SRT8[®], gets your attention by displaying the tire pressure at each individual wheel. This helps identify when additional air is needed to minimize rolling resistance and maximize fuel economy. In addition, and included on Laredo, a "LOW TIRE" message and audible alert notify you if any tire loses significant air pressure.

Sky-high tech.

With Uconnect™, you're always connected — to people, places, music, movies, and the Internet.

Voice Command. Lets you select radio stations, satellite radio channels,⁽¹⁾ and navigation⁽¹⁾ destinations using voice commands. Works with all Uconnect Media Center radios. Included with Uconnect Phone.

Uconnect Phone. Lets you talk on your Bluetooth® compatible phone virtually hands-free. Address Sync⁽²⁾ lets you call anyone in your address book by saying their name.

Audio Jack. Connect a 3.5-mm audio cable from your MP3 player, phone, or electronic book reader to play audio through your car's speakers.

Media Center 730N AM/FM/CD/DVD⁽³⁾ Radio with 30GB Hard Drive and GPS Navigation. 6.5-inch touch screen, MP3/WMA support, USB input, 4,250 song capacity, SIRIUS® Satellite Radio,⁽⁴⁾ SIRIUS Traffic,⁽⁵⁾ and Voice Command.

iPod® Control. Connect most iPod-compatible devices to your car's stereo using the in-car cable; then control them with your radio or steering wheel controls. Keeps the devices charged too.

Uconnect Web.⁽⁶⁾ An in-car router that connects any Wi-Fi-enabled device to the Internet at 3G broadband speeds, allowing multiple passengers to surf the Web and social networks, look up directions, check eMail, or download music. Uconnect Web is an Authentic Jeep® Accessory by Mopar. Subscription required, sold separately.

⁽¹⁾When satellite radio and navigation features are equipped on your vehicle. Any voice-commanded system should be used only in safe driving conditions and all attention should be kept on the roadway ahead. Failure to do so may result in an accident causing serious injury or death. ⁽²⁾Phone must support Bluetooth Phone Book Access Profile (PBAP) ⁽³⁾In-dash DVD capability not available in all states. See your dealer for details. ⁽⁴⁾SIRIUS service available only in contiguous United States and D.C. Service available in Canada; see siriuscanada.ca. Subscription required after 12-month subscription included with vehicle purchase. Subscriptions governed by SIRIUS Terms & Conditions available at sirius.com. SIRIUS, XM, and all related marks and logos are trademarks of SIRIUS XM Radio Inc. and its subsidiaries. ⁽⁶⁾The Uconnect Web feature is not intended for use by the driver while the vehicle is in motion.

Jeep® Grand Cherokee Limited Royale leather-trimmed interior shown in Dark Khaki/Light Graystone.

Comfort and **curves.**

The generously appointed cabin of the 2010 Jeep® Grand Cherokee sets you deep inside the comfort zone, whether you're going for the "King of the Thrill," the SRT8®; the plush Limited; the new and sporty S-Limited; or the value-plus Laredo. Grand Cherokee is sized right to handle all curves, with options that let you see and be seen sitting in the lap of adventurous luxury.

Grand Cherokee SRT8 is built for speed and its cabin follows suit with race-inspired front seating and a refined aluminum finish on the instrument panel, shifter bezel and floor console. The standard Boston Acoustics® premium audio system tunes you into the intricate orchestrations of your favorite songs.

If the combination of metallic finishes and leather appeals to your senses, then the new Grand Cherokee S-Limited will exceed your expectations. Packaged with a unique leather-trimmed interior, including 8-way driver and 4-way front passenger power-adjustable seats that are heated in both the front and second rows. A leather-wrapped steering wheel, shift knob and parking brake handle offer a firm grasp on the finer things in life.

Fresh air, sunlight and engineered audio come together in Laredo's optional Sun/Sound Group, with its power sunroof with convenient one-touch operation and touch-screen navigation radio. It all adds up to all-around fun in the sun.

Jeep Grand Cherokee SRT8.

Jeep Grand Cherokee Laredo.

Properly secure all cargo.

Between a rock and a soft place.

Above: Jeep® Grand Cherokee Laredo Rocky Mountain Edition shown in Modern Blue Pearl.

Below: Jeep Grand Cherokee Limited shown in Bright Silver Metallic.

Stand at the front of the class.

Besides claiming class-leading 4WD capability,⁽¹⁾ Jeep Grand Cherokee boasts a 7,400-lb towing capacity⁽²⁾ and the race-inspired SRT8[®] takes off as the fastest SUV in its class.⁽³⁾ Hold on, 'cause SRT8 can launch you from 0-60 mph in under five seconds, on either wet or dry pavement. Looking every bit the aggressor, SRT8 features twin chrome four-inch exhaust tips over a genuine dual exhaust system with 2.75-in-diameter Dura-Bright[®] wheel treatment from Alcoa.[®] Performance-tuned suspension, Brembo[®] Performance brake calipers and 20-inch Goodyear[®] Run-Flat Tires on polished forged-aluminum wheels help you run smooth and stop quick.

The adventure-ready Grand Cherokee Laredo Rocky Mountain Edition⁽⁴⁾ comes ready to Go Anywhere, Do Anything,[™] with a value package that includes a Media Center 730N touch-screen navigation radio, Boston Acoustics[®] premium audio system, heated front seats, power sunroof, ParkView[®] Rear Back-Up Camera,⁽⁵⁾ exclusive “Rocky Mountain” badging, and more.

Grand Cherokee S-Limited bears a proud nameplate designating its exclusive status, plus standard High-Intensity Discharge (HID) headlamps, and 18-inch wheels add the right touch of dramatic appeal.

The Limited adds upscale to its appearance with abundant chrome: on the traditional Jeep brand seven-slot grille, window moldings, door handles, roof rack side rails, and license plate brow thus proving that looks can thrill every time you take the road.

⁽¹⁾Based on *Ward's* 2009 Middle Sport/Utility segment. ⁽²⁾When properly equipped. ⁽³⁾Based on *Ward's* Middle Sport/Utility segment 0-60 mph performance. ⁽⁴⁾Late availability. ⁽⁵⁾Always check entire surroundings before backing up.

POWERTRAIN

Engine	3.7L V6	5.7L HEMI® V8	6.1L SRT® HEMI V8
Displacement (cu in)	226	345	370
Horsepower (DIN @ rpm)	210 @ 5,200	357 @ 5,200	420 @ 6,200
Torque (SAE net lb-ft @ rpm)	235 @ 4,000	389 @ 4,350	420 @ 4,800
Axle Ratio	3.07:1	3.73:1	3.73:1
Fuel System	Sequential multipoint electronic fuel injection		

Variable Valve Timing A technology utilized in Formula One race cars, is now featured in the 5.7L HEMI V8. VVT offers increased engine breathing throughout the RPM range by varying the degree that the valves open and close in conjunction with the piston position. Results are tangible: better performance, more efficient operation and increased torque for towing and hauling.

Multi-Displacement System (MDS) Deactivates 4 cylinders (1, 4, 6, and 7) during steady speed between 40-60 mph, low-acceleration and shallow-grade climbing conditions. Fuel economy is improved up to 6 percent, depending on driving habits¹⁾ (5.7L HEMI V8)

Transmission 5-speed automatic with Electronic Range Select, Tow/Haul feature, adaptive electronic control, Brake-Park Interlock and electronically modulated torque converter (3.7L, 6.1L); Multispeed automatic with 5 forward speeds, alternate second gear, Electronic Range Select, Tow/Haul feature, Brake-Park Interlock and electronically modulated torque converter (5.7L)

FOUR-WHEEL-DRIVE SYSTEM (transfer case)

Quadra-Trac I® NV140SM Full-time; single-speed with 48/52 front/rear torque split and open front, center, and rear differentials (3.7L)

Quadra-Trac II® NV245 Active full-time; 2-speed with low range (2.72:1) and neutral, variable with 48/52 front/rear default torque split, electronically controlled clutch pack coupling in center differential and open front/rear differentials (5.7L)

Quadra-Drive® II NV245 Active full-time; 2-speed with low range (2.72:1) and neutral, variable with 48/52 front/rear default torque split, electronically controlled clutch pack coupling in center differential and front and rear Electronic Limited-Slip Differentials (5.7L)

SRT NV146 Active full-time; single-speed with variable torque split, electronically controlled clutch pack in center differential and open front and rear differentials (6.1L)

CAPACITIES/WEIGHTS TOWING (pounds unless otherwise specified)

Base Curb Weight 2WD/4WD	4,316/4,488
Payload Capacity (all occupants and cargo)	1,050
Maximum Gross Vehicle Weight Rating	
3.7L V6, 2WD/4WD	5,700/5,900
5.7L HEMI V8, 2WD/4WD	6,010/6,150
6.1L SRT HEMI V8, 4WD	6,150
Maximum Towing Capacity (when properly equipped)	
3.7L V6, 2WD/4WD	3,500/3,500
5.7L HEMI V8, 2WD/4WD	7,400/7,200
6.1L SRT HEMI V8, 4WD	3,500
Tongue Load Limit (3.7L, 6.1L, 5.7L)	525/750

RESTRICTION: Trailer frontal area limitation of 64 sq ft; maximum trailer length of 25 ft (Class II) or 30 ft (Class IV); Trailer Sway Control and low-profile mirrors are recommended. This chart is meant to serve as a quick and easy reference guide on how to properly equip your Jeep® Grand Cherokee for towing. For specific details, discuss your plans with your Jeep dealer, who will help you select the right equipment to meet your specifications.
